Tell yourself:

*Just for today* my thoughts will be on my recovery, living and enjoying life without the use of drugs.

*Just for today* I will have faith in someone in NA who believes in me and wants to help me in my recovery.

*Just for today* I will have a program. I will try to follow it to the best of my ability.

*Just for today*, through NA, I will try to get a better perspective on my life.

*Just for today* I will be unafraid, my thoughts will be on my new associations, people who are not using and who have found a new way of life.

So long as I follow that way, I have nothing to fear.
